Meeting of the Minds
Transportation Equity in a New Era
September 30, 2020
Presented by Jamario Jackson
TransForm’s Expertise

- **Collaborating** to think through challenging internal conversations.

- **Contracting with community based partners** to share their first hand experience.

- **Confronting underlying conditions** and creating interdisciplinary solutions to meet community needs.

TransFormCA.org
Design Sprint
low income pass program

Reoccurring themes throughout the project

1. Who are the people accessing the low income pass program and how can we help them?

2. Travel behavior

3. Using community stories to make informed decisions

4. Tools and strategies for ongoing engagement internally and externally
